

**DANGER
RANGERS**

www.DangerRangers.com

- 1. Do not touch the kitchen stove. It may be hot.**
- 2. Do not lean on window screens. They are made to keep bugs out - not people in.**
- 3. Only take medicine and vitamins if a grown-up gives them to you.**
- 4. Do not climb on furniture as it may tip over.**
- 5. Tell an adult if you find household cleaners. They should be stored in locked cabinets out of a child's reach.**

INSTRUCTIONS:

1. With an adults help, cut along the dotted lines.
2. Don't forget to cut out the circles too!
3. Fold the door hanger in half and paste the two sides together.
4. Review the safety guidelines with your parents.
5. Your family is now Danger Ranger Ready! Hang on your door and enjoy!
